One is to offer something away free of charge along with your e-book, reminiscent of a worthwhile bonus item. Or bundle a number of ebooks below one worth, which lowers the price for each e-book in the event that they had been sold separately.

An efficient approach for figuring out a worth is to ship out a survey to your present customers. If these customers have already purchased an ebook from you, ask for his or her opinion by way of price. Do that by creating a sales web page for the new ebook, however do not embody a value on that page. Instead, add a variety of hyperlinks to survey questions that ask pointed questions to help you in assigning a value to your ebook.

One other strategy is to test out prices by making a number of duplicate gross sales pages with different costs on each page. Be sure that your sales copy is strictly the identical on every page,

and contains your promoting-handle sentence. Then determine for every web page the conversion ratio between guests to your web site and sales of your book. This will tell you what your optimum worth is.

Ultimately, when you've written a book that solves a problem or presents a new approach, your ebook will bring in both site visitors and profits. So make sure to write that selling-deal with sentence that sums up what problem your book solves and what the benefits of your 1047 book will be to the purchasers who purchase it.
