As a substitute, add various hyperlinks to survey questions that ask pointed questions to assist you in assigning a price to your ebook.

Another strategy is to test out prices by making a number of duplicate sales pages with completely different costs on each page. Be certain your sales copy is exactly the similar on every web page, and consists of your selling-deal with sentence. Then figure out for every page the conversion ratio between guests to your website and sales of your book. It will inform you what your optimum price is.

Finally, should you've written a ebook that solves a drawback or presents a new approach, your book will herald both traffic and profits.
