Instead, add a number of links to survey questions that ask pointed questions to help you in assigning a price to your ebook.

One other technique is to test out prices by making a variety of duplicate sales pages with totally different prices on every page. Ensure that your sales copy is strictly the similar on each page,

and contains your promoting-deal with sentence. Then determine for each web page the conversion ratio between visitors to your website and sales of your book. This may let you know what your optimum worth is.
