An efficient technique for figuring out a value is to send out a survey to your current customers. If these clients have already bought an ebook from you, ask for their opinion in terms of price. Do

that by creating a sales page for the brand new e-book, but do not embrace a price on that page. As an alternative, add quite a few links to survey questions that ask pointed questions to aid you in assigning a value to your ebook.

Make sure your gross sales copy is strictly the identical on every web page, and consists of your selling-handle sentence. Then work out for every web page the conversion ratio between guests to your web site and sales of your book. This may inform you what your optimum worth is.
