An efficient approach for determining a value is to ship out a survey to your present customers. If these customers have already bought an e book from you, ask for their opinion by way of price. Do this by making a gross sales page for the new book, but don't embrace a worth on that page. As a substitute, add a number of links to survey questions that ask pointed questions to aid you in assigning a value to your ebook.

Another strategy is to check out prices by creating a variety of duplicate gross sales pages with completely different costs on every page. Ensure your gross sales copy is exactly the same on each

page, and includes your selling-handle sentence. Then determine for each page the conversion ratio between guests to your web site and gross sales of your book. This will tell you what your optimum value is.
