One other strategy is to test out prices by making a number of duplicate sales pages with completely different costs on every page. Be certain your sales copy is precisely the same on each page, and

includes your selling-handle sentence. Then determine for each page the conversion ratio between visitors to your site and sales of your book. This may tell you what your optimum value is.

Finally, if you happen to've written a e-book that solves a problem or presents a new technique, your e-book will herald both traffic and profits. So make sure you write that selling-deal with sentence that sums up what downside your ebook solves and what the benefits of your 1287 ebook shall be to the purchasers who purchase it.
