Instead, add a variety of hyperlinks to survey questions that ask pointed questions to help you in assigning a value to your ebook.

Another strategy is to test out costs by creating a variety of duplicate sales pages with completely different prices on each page. Be certain that your sales copy is exactly the same on every web

page, and includes your promoting-handle sentence. Then work out for each page the conversion ratio between visitors to your website and gross sales of your book. It will tell you what your optimum price is.

Finally, for those who've written a ebook that solves a downside or presents a brand new approach, your book will herald each visitors and profits.
