If these customers have already purchased an e-book from you, ask for his or her opinion in terms of price. Do that by creating a gross sales page for the new e book, however don't embody a worth on that page. One other technique is to check out costs by making a variety of duplicate gross sales pages with different prices on each page. Ensure that your gross sales copy is exactly the same on every web

page, and includes your selling-handle sentence. Then determine for each page the conversion ratio between guests to your web site and sales of your book. It will let you know what your optimum worth is.
