An effective technique for determining a value is to send out a survey to your present customers. If these prospects have already bought an book from you, ask for their opinion by way of price. Do this by making a sales page for the brand new ebook, but don't embody a value on that page. As a substitute, add various hyperlinks to survey questions that ask pointed questions to assist you in assigning a value to your ebook.

One other strategy is to check out costs by making a variety of duplicate sales pages with completely different prices on each page. Ensure your gross sales copy is strictly the identical on

each web page, and consists of your promoting-handle sentence. Then determine for each page the conversion ratio between guests to your site and sales of your book. This can tell you what your optimum value is.

Ultimately, should you've written a ebook that solves a problem or presents a brand new technique, your e book will bring in each site visitors and profits. So be sure to write that promoting-handle sentence that sums up what problem your book solves and what the benefits of your 2030 ebook shall be to the purchasers who purchase it. And then watch your market come to you!
