these clients have already bought an ebook from you, ask for their opinion in terms of price. Do that by making a gross sales page for the brand new e book, however do not embody a price on that page. As a substitute, add various hyperlinks to survey questions that ask pointed questions to help you in assigning a value to your ebook.

One other strategy is to test out costs by making a number of duplicate sales pages with completely different costs on every page. Be sure your gross sales copy is exactly the identical on every page, and consists of your promoting-deal with sentence. Then determine for each web page the conversion ratio between guests to your web site and gross sales of your book. This can tell you what your optimum price is.

In the end, should you've written a e-book that solves a drawback or presents a new approach, your e-book will herald both visitors and profits.
