An effective approach for determining a worth is to ship out a survey to your current customers. Do that by making a gross sales page for the brand new e book, but do not embody a price on that page. As an alternative, add numerous hyperlinks to survey questions that ask pointed questions to assist you in assigning a worth to your ebook.

One other technique is to test out prices by creating a number of duplicate gross sales pages with totally different costs on every page. Be sure your gross sales copy is precisely the same on every page, and contains your selling-deal with sentence. Then figure out for every web page the conversion ratio between visitors to your web site and gross sales of your book. This can inform you what your optimum value is.

Ultimately, if you happen to've written a e-book that solves a problem or presents a new method,

your e-book will usher in each visitors and profits. So be sure you write that selling-deal with sentence that sums up what drawback your book solves and what the benefits of your 238 e-book will likely be to the customers who buy it. And then watch your market come to you!
