As a substitute, add various hyperlinks to survey questions that ask pointed questions to assist you in assigning a value to your ebook.

Another technique is to check out prices by creating a variety of duplicate sales pages with totally different costs on every page. Make certain your gross sales copy is precisely the similar on each

web page, and consists of your selling-deal with sentence. Then figure out for each page the conversion ratio between visitors to your website and gross sales of your book. This will tell you what your optimum worth is.

In the end, in case you've written a e book that solves a downside or presents a new approach, your e-book will usher in both traffic and profits.
