An efficient approach for determining a value is to send out a survey to your present customers. If these clients have already purchased an e book from you, ask for their opinion when it comes to price. Do that by creating a sales page for the brand new e book, however do not include a worth on that page. As a substitute, add a number of hyperlinks to survey questions that ask pointed questions to aid you in assigning a worth to your ebook.

One other technique is to check out costs by creating a variety of duplicate gross sales pages with different prices on each page. Ensure your sales copy is precisely the identical on every page, and contains your selling-handle sentence. Then determine for each web page the conversion ratio between visitors to your site and gross sales of your book. This can inform you what your optimum price is.

Ultimately, if you've written a e book that solves a problem or presents a new approach, your guide will herald each site visitors and profits.
