by making a sales web page for the new guide, however do not embrace a worth on that page. As an alternative, add numerous links to survey questions that ask pointed questions to help you in assigning a value to your ebook.

Another technique is to check out prices by making a number of duplicate gross sales pages with completely different costs on every page. Ensure your gross sales copy is precisely the identical on every page, and contains your selling-deal with sentence. Then figure out for every web page the conversion ratio between visitors to your site and gross sales of your book. This can tell you what your optimum worth is.

Ultimately, when you've written a e-book that solves a downside or presents a new technique, your book will usher in both visitors and profits.
