If these clients have already purchased an book from you, ask for his or her opinion when it comes to price. Do that by creating a gross sales page for the new ebook, but don't include a value on that page. As a substitute, add quite a few hyperlinks to survey questions that ask pointed questions to help you in assigning a price to your ebook.

One other strategy is to test out prices by creating a variety of duplicate gross sales pages with different prices on each page. Make sure that your sales copy is precisely the identical on every page, and consists of your selling-deal with sentence. Then work out for every web page the conversion ratio between guests to your web site and sales of your book. This can tell you what your optimum price is.
