Instead, add a number of hyperlinks to survey questions that ask pointed questions to help you in assigning a worth to your ebook.

One other technique is to test out costs by making a number of duplicate sales pages with totally different costs on each page. Make sure your gross sales copy is exactly the identical on each web

page, and includes your promoting-handle sentence. Then work out for each page the conversion ratio between guests to your site and sales of your book. It will tell you what your optimum value is.

In the end, in case you've written a guide that solves a downside or presents a new technique, your guide will bring in both visitors and profits.
