Marketing Strategies

The key that unlocks the sales potential of your e-book is to discover a single sentence that becomes your selling handle. This sentence states what query or downside your e book solutions and the advantages your book can provide. Then make sure you use that sentence in each piece of gross

sales and promotional material, and every time anyone asks you about your ebook.

One is to offer one thing away without spending a dime together with your e book, similar to a worthwhile bonus item. Or bundle several ebooks under one worth, which lowers the price for every e book in the event that they have been sold separately.

An effective technique for figuring out a worth is to send out a survey to your current customers. If these customers have already purchased an e-book from you, ask for his or her opinion in terms of price. Do that by creating a gross sales page for the new guide, but don't embrace a value on that page. As an alternative, add a lot of links to survey questions that ask pointed questions to aid you in assigning a price to your ebook.

Another strategy is to check out prices by creating a variety of duplicate gross sales pages with different costs on each page. Be sure your sales copy is exactly the same on every page, and includes your promoting-handle sentence. Then figure out for every page the conversion ratio between guests to your web site and sales of your book. This can let you know what your optimum value is.

In the end, when you've written a guide that solves a drawback or presents a brand new approach, your ebook will usher in both traffic and profits. So be sure you write that promoting-handle sentence that sums up what drawback your ebook solves and what the advantages of your 900 e book might be to the customers who buy it. And then watch your market come to you!
