An efficient method for figuring out a value is to ship out a survey to your current customers. If these prospects have already bought an e book from you, ask for their opinion when it comes to price. Do this by creating a gross sales page for the brand new book, but don't embrace a price on that page. Instead, add a number of hyperlinks to survey questions that ask pointed questions to aid you in assigning a value to your ebook.

Another technique is to test out costs by making a number of duplicate gross sales pages with completely different costs on every page. Make certain your gross sales copy is precisely the

similar on every page, and includes your selling-handle sentence. Then figure out for every web page the conversion ratio between visitors to your site and sales of your book. This may inform you what your optimum value is.
